

Policy 0603.30 Middle School Credits

The Board is committed to ensuring that students of the West Ada School District are college and career ready. To this end, the Board of Trustees directs the Superintendent or Designee to adopt course requirements to meet or exceed the middle school course and credit requirements, credit recovery opportunities, alternative mechanisms for grade level promotion and attendance requirements for middle school as established by the State of Idaho and outlined in Idaho Administrative Code (IDAPA) 08.02.03 Rules Governing Thoroughness.
