

Policy 0200.01 Legal Status and General Power

A thorough system of public, free common schools is required by Article IX of the Idaho State Constitution.¹

Accordingly, the West Ada School District is granted authority in Idaho Statute to operate as a body politic per section 33-301, Idaho Code², and will be governed by a Board of Trustees per section 33-501, Idaho Code.³

The Board of Trustees may only act when sitting as a quorum, in legal session. Members of the Board of Trustees, individually, have no powers to act on behalf of the District or the Board.
