✓ Spring Break: This spring the varsity team will be traveling to Arizona to chase the warm sunshine. The cost per player on this will be \$615. Teams will not be picked until March 1. We will be taking the varsity coaches and 16-18 players. Currently we have reserved motel rooms and rental cars. We will also have some fun on the days that we do not play and also the days we do play. The plan is to take the team to 2-3 spring training games/college games. We will also provide some meals while we are down there also. We will be providing more information as we get closer. JV will be playing in a tournament on March 17 and 18 as well.
